Dear Friends,

On behalf of the thousands of people served each month at the Olneyville Food Pantry, thank you for your very generous gifts in the amount of \$1568.00 (July Gift: \$771.00 dollars and August Gift: \$797.00, check #7372, dated September 27, 2016). Your continued support of the Pantry and the people of Olneyville is greatly appreciated.

Each month the Olneyville Food Center serves over 10,000 people, offering free nutritious food to those most in need. They include the working poor, elderly and disabled, all of whom are housed.

Our guests depend on PICA, and we depend on you. With your help, we are offering hope and support to those in need. Again, thank you.

Peace,
